

## About Us

There are 15 comfortable rooms available at the Windsor Hotel. Experience the tradition of the history of Trout Lake in the comfort of a fully restored room. Most of our rooms have been furnished with original furnishings from the boom era of Trout Lake in an effort to enhance the 1890's theme.

7 of the rooms at the Windsor Hotel have private bathrooms while 8 others are equipped with a sink and share his and her bathrooms.

Have a relaxing meal in our dining room or tell stories about your days in the back country up Trout Peak in our pub. Either way, you will be sure to enjoy your time at the Windsor Hotel.
